Private lessons are where you will gain the majority of your knowledge of dance technique and style. Independently planned private dance lessons provide each student with the specialized and personalized attention you need to look and feel great dancing. Private dance lessons offer 100% of the attention of your professional dance instructor. This is the fastest way to learn!

We offer dance lessons for kids from 2 to 16 years old. Please note that private lesson is up to 2 pp.
